The applicant undertakes to notify the Central Identification Office/Registration in writing of any change, concerning the operational safety of the vehicle or insurance. He also agrees to immediately return the vehicle ID if:

- the company to which the vehicle ID is assigned no longer operates at Cologne/Bonn Airport within the framework of an assignment
- the person to whom the vehicle ID is assigned is no longer employed by the company named on the vehicle ID request
- the operational necessity no longer exists or has been revoked by the airport.

Immediate reporting is also in case of vehicle theft. Costs will be charged to the applicant*.
The applicant confirms the above with his signature.

Please complete in typed or block letters and return to the address below.

Illegible or incomplete applications will not be processed.

Please enclose a copy of the vehicle registration certificate. Please fix the vehicle ID on the inside of the windshield so that it's clearly visible. Please use only one application per vehicle.

License number: _____	Company: _____
-----------------------	----------------

Operational need given		<input type="checkbox"/> Yes	<input type="checkbox"/> No
<p>The operational necessity in this context can only be determined by the guarantor of the FKB or airport-based company for obtaining a vignette, if it is not possible to carry out the activity in the critical parts of the security-restricted area without the use of a vehicle. Driving in the critical parts of the security restricted area may only take place on the basis of an operational assignment. This does not include the mere arrival and departure of employees to the workplace. For non-campus companies a guarantor of an airport-based company must be named. The Central Identification Office/Registration must be informed in writing about the guarantor.</p>
